Europe Needs a **Fully Fledged Single Market** for Online Gambling

The 28 mini internet gambling markets cause significant gaps in consumer protection, drive away players to unregulated websites outside the EU and cost Europe €5,6 billion per annum.*

Did you know that...

GLOBAL LEADER

…Europe has the world's most competitive and innovative online gambling sector with a **47%** global market share.

BENCHMARK TECHNOLOGIES

…we invest more than **€600M** into digital security in areas such as fraud prevention, e-payments and age verification?

SPORTS

…we contribute over **€800M** to sports via sponsorship and sports streaming rights?

*The Cost of Non-Europe in the Single Market (study European Parliament 2014)
